Projects

SmartMedicare
Technology : Laravel, Mysql

SmartMediCare is a healthcare management platform that connects patients, doctors, and clinics in one system. It provides online appointment booking, electronic medical records (EMR), prescription management, and billing automation.This project enhances patient experience, reduces administrative load, and ensures secure healthcare data handling.

EduConnect
Technology : Django, SQL

EduConnect is an online learning and course management system built for students and educators. It offers course enrollment, video lectures, assignment submissions, live class scheduling, and progress tracking.The platform provides a responsive, user-friendly interface with secure login and data handling for seamless e-learning.

AgroMart
Technology : Django, SQL

AgroMart is an online marketplace that connects farmers and consumers, enabling direct crop listing, fair pricing, and secure transactions. It streamlines buying and selling through inventory management, order tracking, and convenient delivery options.

Skills

- Backend Development: Proficient in Python, Laravel, and basic knowledge of Node.js
- Database Management: Skilled in backend integration and database optimization
- Frontend Development: Expertise in HTML, CSS, and JavaScript, with a strong focus on React.js
- UI/UX Design: Strong emphasis on creating intuitive and user-friendly interfaces
- Soft Skills: Effective communicator with a creative and innovative approach to problem-solving

> "I am a backend focused web developer specializing in laravel, with expertise in building scalable systems and optimizing MySQL integration. I also have frontend skills in HTML, CSS, JavaScript, enabling me to create responsive, user-friendly interfaces. My portfolio highlights Laravel-based projects, showcasing my ability to merge functionality with design. I continuously upgrade my skills through online learning and stay updated with industry trends."

EDUCATION

2020 - 2023 Bachelor of Computer Application
Gujarat University, Ahmedabad, Gujarat
